

Hello Ellicottville! This past couple of weeks has been very difficult for us all. As we start this new week, I want you to know what is going on at the Village Government level. The Town and Village have closed the Town/Village Hall. This has been a significant step to limit “social distancing”. The function of the Village Clerk/Treasurer is still being done. Our telephone (716) 699-4636 is being answered during office hours. The Clerk’s email is up and functioning at [maryklahn699@gmail.com](mailto:maryklahn699@gmail.com). All accounting functions are also up and running. Therefore, through the Clerk you have access to your account information; also you can pay your sewer, refuse and water bills on line at <https://www.ellicottvillegov.com>.

We are updating this website as well and will have current news items posted. In addition, we have a new Facebook page, Village of Ellicottville @villageofellicottville. Current news will be posted on here also.

Our DPW is working to ensure all essential services are maintained. Any and all DPW inquiries should go to Niles Pierson at [niles.c.pierson@evlengineering.com](mailto:niles.c.pierson@evlengineering.com). The telephone number at DPW is (716) 699-9005.

As Mayor, I am in touch with other local municipalities as well as County, State and Federal officials during this “State of Emergency”. If you feel that you need to talk to me, I can be reached at (716) 498-0466. Please do everything you can do to stay safe and well.

Thank you,

John Burrell
