

Lakelands Concrete Products	\$4,513.00
Kistner Concrete	\$6,085.05
JMI	\$4,219.10

All bids were reviewed by Mr. Alianello who pointed out the JMI did not include the price of the riser rings in its bid and submitted its bid after the 11:00am dead line. He concluded that if the price of the riser rings is taken into account, Lakelands Concrete Products is the low bid and recommended their bid be accepted.

On **MOTION** by Mr. Hinman, seconded by Mr. Crowley the following resolution was ACCEPTED:
